

### No Tools Needed

Thank you for your purchase.  
Now, let's hang it on the wall!

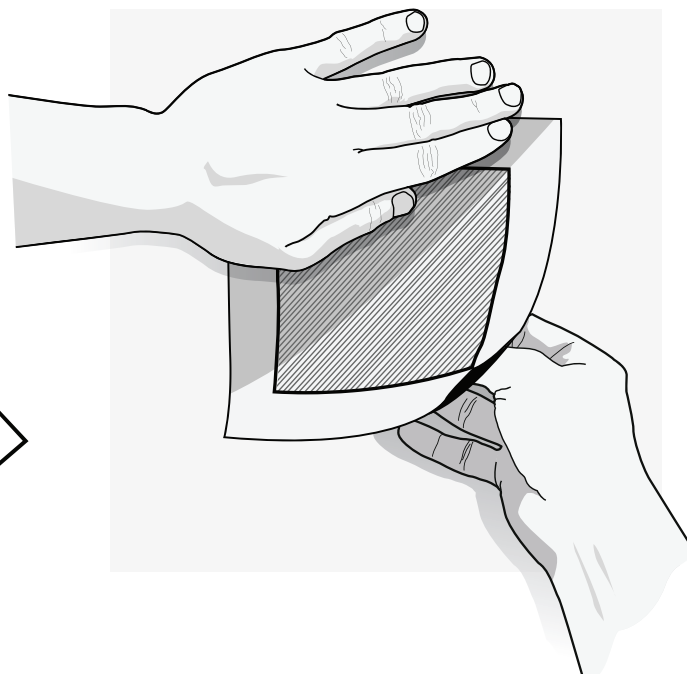

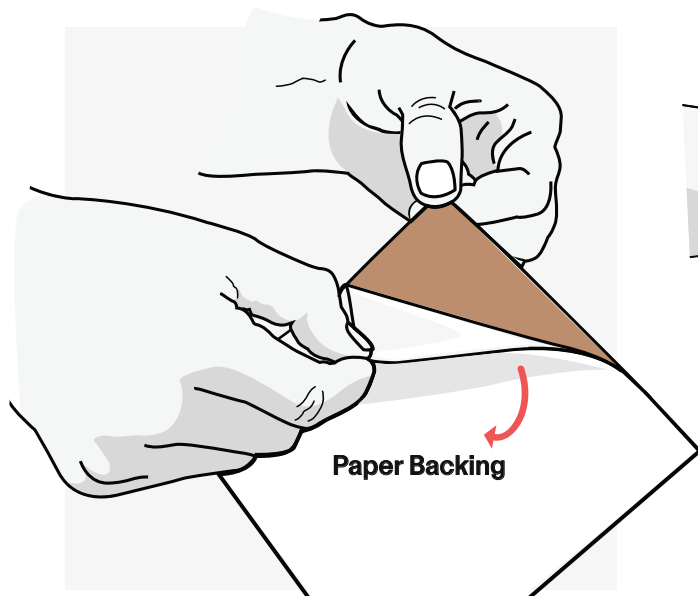

### Metal Print Hanger

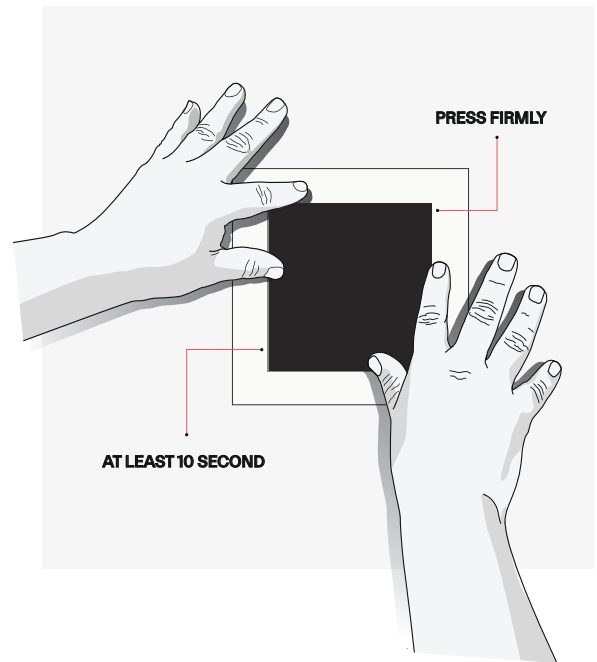

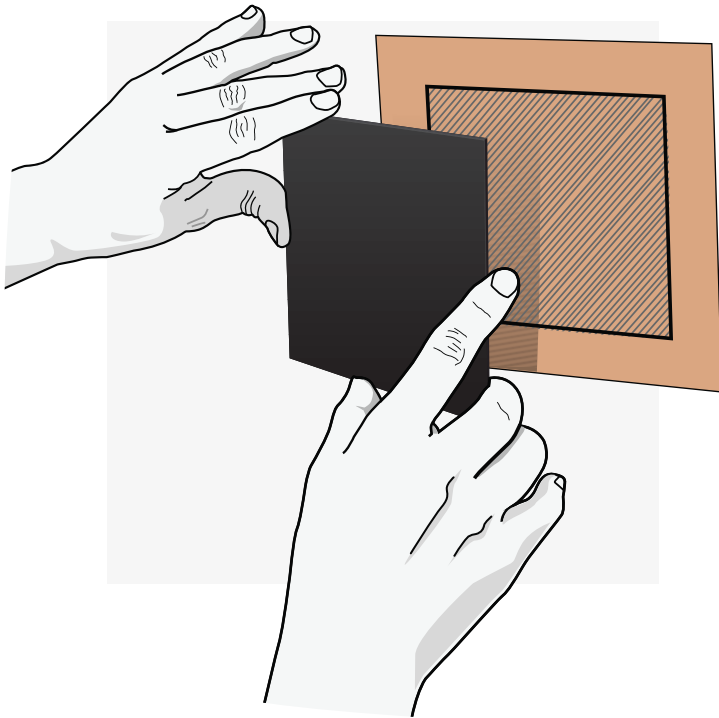

Both items are included in the box with the art.

## How to hang a Steelpix Metal Print

**Step 1** Peel the paper backing and place onto the wall; be sure to smooth the paper down fully, avoiding bubbles or ripples

## Step 2 Peel the protective backing from the magnet and align it with the paper template

## Step 3 Remove the protective film from your Steelpix and snap it onto the magnet
